

2018 CYC Race Results

2018 was an interesting season for racing at CYC. The storm in May really put a damper on the early season racing and the lack of winds cancelled several races over the course of the summer. For the Sunday races the cruisers were able to get 15 races in for the season. The Flying Scots, on the other hand, only had couple races during the Sunday Series season. Traveling to offsite to races, vacation schedules and weather kept the Scots from having a meaningful season.

So for the cruisers we had 15 races with 9 boats and out of the 9 boats 6 boats qualified for the season. As we (Doug and Dave) reviewed the results it ended up making the most sense to combine all Sunday races into one contiguous season. Here are the results for the Cruisers 2018 Sunday series:

6th place – Jeff Ginsburgh

5th place – Pete VanHouten

4th place – Joe Doucet

3rd Place – Bob Bouvaird (trophy available in January)

2nd Place - Tom Mullen (trophy available in January)

1st Place – Rich and Jennifer Palmer (trophy available in January)
